ABOUT THE CONFERENCE

The Birth Injury Law Summit 2026 is a national hybrid conference bringing together lawyers and other professionals involved in birth injury litigation to share knowledge, practical insights, and explore emerging developments in the field.

Featuring leading medical and legal experts from across Canada, the program addresses current medical, legal, and strategic issues through presentations and interactive panel discussions.

TOPICS INCLUDE:

- ✓ Medical Evidence
- ✓ Standards of Care
- ✓ Causation
- ✓ Damages
- ✓ Trial Strategy
- ✓ Expert Perspectives

Expected attendees include plaintiff lawyers, medical experts, rehabilitation professionals, and allied health practitioners from across Canada.

The conference provides sponsors with a unique opportunity to build relationships with a highly specialized audience while supporting education and collaboration within the birth injury community.
